Autumn 2 28/11/24

Well done to this week's attendance winners!
KS1: Fir 100%
KS2: Oak 97.8%

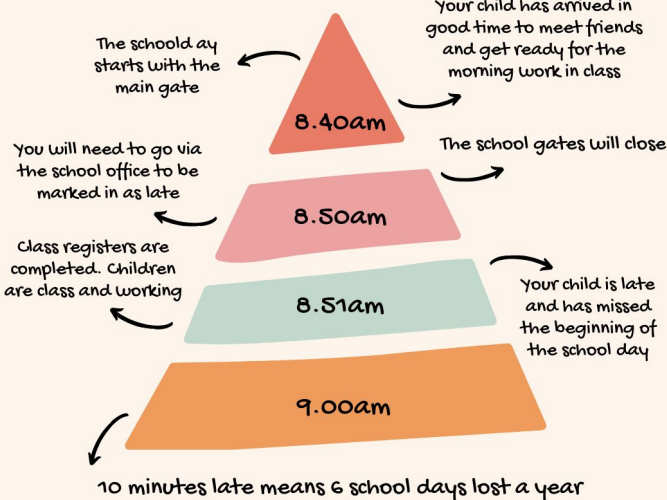

If you are unsure whether to keep your child off school due to illness, we want to reassure you that if you do bring your child in, the school will always contact home if we feel your child is too unwell to be in school. Visit <https://www.nhs.uk/conditions> for further information and guidance.

We need your help, parents & carers!
 Mornings can be quite busy in the office, especially with the increasing amount of lateness we are experiencing currently. Please be patient with us. If we are not available to sign your child in as soon as you arrive at the office, it is likely we are taking late children round to their class and will be back.
 The best way to avoid any waiting times is to be at school before 8.50am.

EVERY MINUTE OF LEARNING COUNTS

Get in on time!

We take school absence very seriously. We identify students whose attendance drops below 96% and provide support to help improve this. We will contact any family whose child's attendance drops below 90% which is the persistent absence threshold. It is important that parents/carers and school work together to reduce absence and prevent legal action being taken as a result of persistent absence.
