Dear Parents and Carers

RE: Woodside Primary School Joins Inspire Partnership

We are writing to you today with important and very positive news that Woodside Primary School officially becomes a member of the Inspire Partnership Academy Trust as of April 1st 2020. This brings our family of schools to a total of 9 primary schools, serving communities in Medway, Greenwich and Croydon.

All members of the community will currently have their families' well-being and safety first and foremost on their minds at such a difficult time. However, we thought it was important to communicate this news about Woodside Primary School joining our Trust to assure you the Inspire Partnership will be working closely with staff, governors and parents, despite the fact schools are currently closed to the majority of pupils. We are supporting staff in developing home learning, ensuring good communication with families and offering guidance and advice.

Woodside Primary School joining the Inspire Partnership provides an exciting opportunity for the pupils and staff who will benefit from a rich partnership of support and collaboration.

We cannot wait for children to be back in school and look forward to working more closely with you. In the coming weeks and months, the Inspire Partnership will work tirelessly with Woodside to create a climate where excellence flourishes, building on the success the school has achieved. We will ensure the school continues to have strong leadership, engaging teaching and high-quality learning.

We will continue to provide updates about how we plan to support your child with learning as well as provide updates relating to the Covid-19 crisis.
